The Refugee and Immigrant Center at the Asian Association of Utah (RIC-AAU) was founded in 1977 and is a private, non-profit, community-based organization located in Salt Lake City. Originally established to support Asian immigrants and refugees in their transition to life in the United States, the organization has expanded its resources and services over the past 37 years to assist refugees and immigrants from around the world. Today, we serve over 2,000 refugees, immigrants, and other community members each year. With over 60 staff members, our backgrounds cover 17 countries and over 30 languages.

We are devoted to helping clients become more self-sufficient in their daily lives, and aim to reduce the barriers that refugees and immigrants face when adapting to life in the U.S. With the help of staff, volunteers, and community leaders, we are continually developing and expanding our services to meet the needs of our clients. We offer comprehensive services in one physical location, reducing transportation barriers and promoting access to a wide range of resources. Individuals and families in need can get case management services, employment help, counseling and mental health treatment, English classes, after-school tutoring and more. We also work closely with the Utah resettlement agencies, refugee communities, state protective services, and many others, to ensure a greater network of support for our clients.

RIC-AAU is committed to walking with people on their journeys to self-sufficiency. We know that our work not only makes a difference in the lives of those we serve, but changes our whole community for the better.

TRAFFICKING IN PERSONS (TIP) PROGRAM

ENGLISH AS A SECOND LANGUAGE (ESL) & LIFE SKILLS

The Organization provides three levels of classes for ESL learners from non-literate to intermediate. These classes are all taught by TESOL certified teachers. We focus on life skills for refugees and immigrants with the goal of the student being able to gain the skills necessary to get a job and be self-supporting. We emphasize digital skills including writing a resume, applying for a job and finding job resources online. All our classes are accessible virtually, thus allowing flexibility for students who are dealing with jobs, child-care issues, etc. We restarted in-person classes in April. Since that time, our enrollment has increased to approximately 40 students attending regularly. We also have about 40 students attending our virtual classes. On September 21st, we're starting an evening class for those who wish to attend an in-person class but have jobs or other commitments making it difficult to attend during the day. All of these options are designed to make our ESL classes accessible to everyone who wants to attend.
