## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Asian Association of Utah  
dba Refugee & Immigrant Center  
Salt Lake City, Utah

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of Asian Association of Utah dba Refugee & Immigrant Center (a nonprofit organization) which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Asian Association of Utah dba Refugee & Immigrant Center as of June 30, 2021, and the results of its operations and its cash flow for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Other Matters***

**Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated January 27, 2022 on our consideration of Asian Association of Utah dba Refugee & Immigrant Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Asian Association of Utah dba Refugee & Immigrant Center's internal control over financial reporting and compliance.

***Report on Summarized Comparative Information***

We have previously audited Asian Association of Utah dba Refugee & Immigrant Center's June 30, 2020 financial statements, and our report dated March 23, 2021. expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Notes to Financial Statements  
June 30, 2021

**1. ORGANIZATION AND BASIS OF PRESENTATION**

Asian Association of Utah dba Refugee & Immigrant Center (the “Organization”) was incorporated under the laws of the State of Utah as a nonprofit corporation on September 2, 1977. Originally established to support Asian immigrants and refugees in their transition to life in the United States, the Organization has expanded its resources and services over the past 40 years to assist refugees and immigrants from around the world. Today, they serve over 3,200 refugees, immigrants, and other community members each year. With over 70 staff members, our backgrounds cover 17 countries and over 30 languages.

The Organization is devoted to helping clients become more self-sufficient in their daily lives, and aims to reduce the barriers refugees and immigrants face when adapting to life in the U.S. With the help of staff, volunteers, and community leaders, they are continually developing and expanding their services to meet the needs of our clients. The Organization offers comprehensive services in one physical location, reducing transportation barriers and promoting access to a wide range of resources. Individuals and families in need can access case management services, employment help, counseling and mental health treatment, English classes, after-school tutoring, and more. The Organization also works closely with the Utah resettlement agencies, refugee communities, state protective services, and many others, to ensure a greater network of support for clients. The Organization is committed to walking with people on their journeys to self-sufficiency. They know that their work not only makes a difference in the lives of those they serve, but changes our whole community for the better. The following is a brief description of their program services:

Community Wellness

The Organization is licensed by the Utah Department of Human Services to provide services for individuals and families ages 12 and above. The Community Wellness program is comprised of a highly experienced and culturally responsive team who support individuals using evidence-based models which promote recovery from substance abuse, domestic violence, and/or various mental health illnesses. Services provided include: behavioral health treatment and therapy, medication management, outpatient drug and substance use counseling, domestic violence counseling for both victims and perpetrators, and targeted behavioral case management. During the year ending June 30, 2021, the Organization served over 581 clients through this program.

Youth and Family Services

The Organization provides a holistic approach for refugee and immigrant youth and their parents as they adjust to new systems in the U.S. The Organization’s Youth and Family program provides parenting classes, afterschool programs, and youth case management. During the year ending June 30, 2021, 39 parents learned new family skills through our parenting classes, which was offered in three different languages providing a total of 576 hours of programming. The program provided over 2,400 hours of direct service to 150+ youth and parents by offering afterschool and mentoring programming.

Sunnyvale Neighborhood Center

The Sunnyvale neighborhood of Salt Lake County is home to many refugee, immigrant, and low-income households. It is located in West Millcreek. In 2012, the Organization recognized the need for a program based within the Sunnyvale neighborhood following concerns from community members and service providers that neighborhood residents could not access much-needed supports and programming. Today, the Sunnyvale Neighborhood Center offers afterschool programs, sports, and an access for other community member to utilize the space. During the year ending June 30, 2021, over 100 adults and 75 youth neighborhood residents came to the center for assistance through direct programming and community partnership.

### Social Services

The Organization's Social Services case managers work to bridge the gap between refugees and the resources necessary for integration in the U.S. They provide assistance with: legal matters, public transportation, health coverage, safe and affordable housing, school enrollment, and other critical matters. During the year ending June 30, 2021, the Organization provided a clear path to integration for 41 refugees this year.

### Employment

Direct employment services are offered through the new evidence-based employment program, Individualized Placement Services (IPS). The program has served over 40 clients in the fiscal year ending June 30, 2021, placing approximately 60% of the clients into part time or full-time employment.

### Trafficking in Persons (TIP) Program

The TIP program is funded through multiple federal and state grants. Through these grants, we are able to serve all victims of both sex and labor trafficking—regardless of age, gender, and immigration status. During the year ending June 30, 2021, we served 163 primary survivors of human trafficking with an additional 82 secondary survivors for a total of 245 individuals. Case managers utilize a comprehensive services model that addresses 17 components of victim needs. In addition to providing case management and wrap around services, we offer outreach and supportive services through TIP's weekly "drop in" center; provided a pathway to safe, affordable housing for 79 survivors; trained 3905+ community members in human trafficking awareness; co-hosted a statewide Human Trafficking Conference with 600 + attendees; established 167+ new collaborative partners, 10+ new/renewed formalized MOUs; and developed a master lease contract, the first of its kind in Utah, with the Salt Lake City Housing Authority to set aside 3 housing units (space for up to 12 survivors) specifically for trafficking survivors. The TIP program also launched the statewide BE THE ONE in Utah's Fight Against Human Trafficking Campaign which included a new trafficking specific website, social media, media advisories, news/media stories, blog, and printed awareness materials displayed in over 1400 locations across 80 Utah cities. The campaign directly reached/engaged 17,555 community members, with an additional 5.1 million community members exposed to/educated by the printed awareness signage. This fiscal year TIP received one new federal grant focused on labor trafficking victims. As the lead victim services partner for the Utah Trafficking in Persons Task Force, AAU's TIP has partnered with the Utah Attorney General's Office since 2015 to co-facilitate the statewide task force. This multi-disciplinary group aims to enhance Utah's response to human trafficking through investigation, prosecution, and ongoing victim services.

### English as a Second Language (ESL) & Life Skills

The Organization provides three levels of classes for ESL learners from non-literate to intermediate. These classes are all taught by TESOL certified teachers. We focus on life skills for refugees and immigrants with the goal of the student being able to gain the skills necessary to get a job and be self-supporting. We emphasize digital skills including writing a resume, applying for a job and finding job resources online. All our classes are accessible virtually, thus allowing flexibility for students who are dealing with jobs, child-care issues, etc. We restarted in-person classes in April. Since that time, our enrollment has increased to approximately 40 students attending regularly. We also have about 40 students attending our virtual classes. On September 21<sup>st</sup>, we're starting an evening class for those who wish to attend an in-person class but have jobs or other commitments making it difficult to attend during the day. All of these options are designed to make our ESL classes accessible to everyone who wants to attend.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the Organization have been prepared on the accrual basis. The Organization follows the provisions of Accounting Standards Codification (ASC) 958, *Not-for-Profit Entities*. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Date of Management's Review

Subsequent events were evaluated through January 27, 2022, which is the date the financial statements were available to be issued. From their review, management has determined that there were no significant recognizable or unrecognizable subsequent events that were not properly disclosed.

Estimates in the Financial Statements

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash equivalents include time deposits, certificates of deposit, and all highly liquid debt instruments with original maturities of three months or less.

Concentrations of Credit Risks

The Organization maintains its cash in bank deposit accounts, which at times, may exceed federally insured limits. At June 30, 2021, \$1,188,051 exceeded the FDIC insurance limit of \$250,000, and therefore was not insured. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

The Organization receives a substantial portion of its revenue from government contracts and grants. During the year ending June 30, 2021, approximately 16% of the Organization's total revenue was from Agency A. Any decreases in government funding would have a negative impact on the future operations of the Organization.

At June 30, 2021 approximately 20%, 18%, and 12% of the Organization's total accounts receivable was due from three Agencies, respectively

Accounts and Grants Receivable and Allowance for Doubtful Accounts

Accounts and grants receivable are carried at their estimated collectible amounts. The Organization's accounts and grants receivable are generally short-term in nature; thus, accounts and grants receivable do not accrue finance or interest charges. Accounts and grants receivable are periodically evaluated for collectibility based on past credit history with customers and their current financial condition. An allowance for doubtful accounts has not been established because management believes that all accounts and grants receivable will be fully collectible.

Promises to Give

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statement of activities. The Organization determines the allowance for uncollectible promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. An allowance for uncollectible promises has not been established at June 30, 2021 because management believes that all promises to give will be fully collectible.

### Property and Equipment

Property and equipment are recorded at acquisition cost, or if donated, at the fair market value at the date donated. The Organization capitalizes additions that exceed \$5,000. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support. Depreciation expense is provided on a straight-line basis over the estimated useful lives of the respective assets or lease terms, which range from five to thirty years. Depreciation expense for the year ended June 30, 2021 was \$142,896.

### Impairment of Long-Lived Assets

The Organization evaluates its long-lived assets for any events or changes in circumstances which indicate that the carrying amounts of the assets may not be fully recoverable. The Organization evaluates the recoverability of long-lived assets by measuring the carrying amounts of the assets against the estimated undiscounted future cash flows associated with them. When future undiscounted cash flows of certain long-lived assets are not sufficient to recover the carrying amounts of the assets, the assets are adjusted to their fair values.

### Classes of Net Assets

Net assets, revenues and gains are classified based on the presence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- *Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.
- *Net Assets with Donor Restrictions* – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

### Contributions

Contributions are recognized when cash or an unconditional promise to give is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

### Revenue and Revenue Recognition

Program service revenue consists of fees for service, rental income, and other income. Program service revenue is recognized when earned. Payments received in advance, if any, are deferred to the applicable period in which the related goods or services are provided.

In-kind Contributions

In-kind contributions are recorded as support at their estimated fair market value at the date of gift. These contributions are considered to be without donor restrictions unless restricted by the donor. Assets donated with donor-imposed restrictions regarding their use are considered net assets with donor restrictions until the asset is placed in service. In-kind contributions received during the year ended June 30, 2021 consisted of the following:

Deseret Industries vouchers	<u>\$ 67,306</u>
-----------------------------	------------------

Functional Allocation of Expenses

The cost of providing programs and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, payroll taxes, employee benefits, professional fees, occupancy, and depreciation, which are allocated on the basis of estimated time and effort.

Income Taxes

The Organization has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(c)(3), qualifying for the charitable contribution deduction under section 170(b)(1)(A)(vi) and has been determined not to be a private foundation under Section 509(a). The Organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) and is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. Management has determined that the Organization is not subject to unrelated business income tax. Management believes that the Organization has appropriate support for any tax positions taken in its annual filing and does not have any uncertain tax positions that are material to the financial statements. The Organization's Forms 990 are no longer subject to tax examination for years before 2018.

**8. RETIREMENT PLAN**

The Organization has adopted a tax-sheltered annuity which provides for a salaried deferral arrangement for participating employees. The Organization uses a contribution rate equivalent to that used by the State of Utah Retirement System. The tax-sheltered annuity permits an employee to defer an amount out of his or her salary on an individual basis. Separate accounts are maintained for each participating employee. The total retirement plan expense was \$93,625 for the year ended June 30, 2021.

**9. COMMITMENTS AND CONTINGENCIES**

The Organization participates in various government-assisted programs that are subject to review and audit by grantor agencies. Entitlements to these resources are generally conditional upon compliance with the terms and conditions of grant agreements and applicable government regulations, including the expenditure of resources for allowable purposes. Any disallowance resulting from a government audit may become a liability of the Organization. The ultimate disallowance pertaining to these regulations, if any, is estimated to be immaterial to the overall financial condition of the Organization.

The Organization may be involved in certain claims arising from the ordinary course of operations and has purchased insurance policies to cover these risks.

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have had and are likely to continue to have a negative impact on the Organization. Certain activities the Organization typically uses to accomplish its mission have been disrupted and actions have been taken to mediate the impact. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration. The related financial impact cannot be reasonably estimated at this time.

**10. PRIOR YEAR INFORMATION**

The accompanying financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2020 from which the summarized information was derived.

**11. SUBSEQUENT EVENT**

On February 2, 2022, the Organization refinanced its mortgage loan in the amount of \$1,088,886. The new mortgage note is for 5 years and carries an interest rate of 3.82% and a monthly payment of \$20,002.

**Note A - Basis of Accounting**

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Asian Association of Utah dba Refugee & Immigrant Center under programs of the federal government for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Asian Association of Utah dba Refugee & Immigrant Center, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Asian Association of Utah dba Refugee & Immigrant Center.

**Note B - Summary of Significant Accounting Policies**

- (1) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- (2) Asian Association of Utah dba Refugee & Immigrant Center has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

**Independent Auditor's Report**

The Board of Directors  
Asian Association of Utah dba Refugee & Immigrant Center  
Salt Lake City, Utah

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Asian Association of Utah dba Refugee & Immigrant Center, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 27, 2022.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Asian Association of Utah dba Refugee & Immigrant Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Asian Association of Utah dba Refugee & Immigrant Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Asian Association of Utah dba Refugee & Immigrant Center's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM  
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED  
BY THE UNIFORM GUIDANCE**

**Independent Auditor's Report**

The Board of Directors  
Asian Association of Utah dba Refugee & Immigrant Center  
Salt Lake City, Utah

**Report on Compliance for Each Major Federal Program**

We have audited Asian Association of Utah dba Refugee & Immigrant Center's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Asian Association of Utah dba Refugee & Immigrant Center's major federal programs for the year ended June 30, 2021. Asian Association of Utah dba Refugee & Immigrant Center's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of Asian Association of Utah dba Refugee & Immigrant Center's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Asian Association of Utah dba Refugee & Immigrant Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Asian Association of Utah dba Refugee & Immigrant Center's compliance.

***Opinion on Each Major Federal Program***

In our opinion, Asian Association of Utah dba Refugee & Immigrant Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

***Other Matters***

The results of our auditing procedures disclosed no instances of noncompliance, which are required to be reported in accordance with Uniform Guidance.

## Report on Internal Control Over Compliance

Management of Asian Association of Utah dba Refugee & Immigrant Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Asian Association of Utah dba Refugee & Immigrant Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Asian Association of Utah dba Refugee & Immigrant Center's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
